AMATEURS

- PLAYERS HAVE THE OPTION TO FORM THEIR OWN 3 MAN TEAM. For this reason we urge you to get your entry in early.
- Amateurs who choose to form their own team cannot have a total index greater than 50. If a team entry totals more than 50, the team handicap will be adjusted for the team portion of the event only. Teams paired by the committee that exceed a total index of greater than 50 will not be adjusted for the team portion of the event.
- Amateurs not wanting to form their own team may enter as usual. If your entry is not included in a team entry, the amateur pairings are categorized into A, B, or C players by index, and one of each is included on each team to the best ability of the Committee.

- All amateurs must have a GHIN number and index. THERE WILL BE NO EXCEPTIONS. We will verify your index after the July 25th revision.
- For team and individual net purposes, all amateurs play at 85% of their established handicap. A maximum adjusted handicap of 30 will be allowed.
- The Hillcrest Pro-Am Committee reserves the right to make adjustments to handicaps to maintain the integrity of the tournament.
- Players will be pre-flighted based on handicap index.
- The low 24 gross and net amateurs, plus ties, will play on Sunday for overall gross and net champions. Additional prizes are awarded for Sunday's play only, separate from the flight prizes.
- The team portion of the tournament is based on the net scores of one pro and three amateurs per team. The Pro changes teams each day.
- Amateurs may indicate a preference for playing shift and the Committee will accommodate as much as possible. The shifts are Thursday morning, Friday afternoon, and Saturday morning, or Thursday afternoon, Friday morning, and Saturday afternoon.
- The Senior division and the Team event both conclude after 54 holes of play. Seniors are not eligible for Sunday play.

We hope to see you for a fun filled week of golf and social activities!
